KAYSVILLE CITY COUNCIL
PUBLIC HEARING
OCTOBER 7, 2014

Minutes of a public hearing of the Kaysville City Council held October 7, 2014 at 6:45 p.m. in the City Council Chambers of the Kaysville City Municipal Center to consider vacation of 332 square feet of right-of-way on 400 West Street at approximately 350 North.

Council Members present: Mayor Steve Hiatt, Mark Johnson, Ron Stephens, Jared Taylor, Brett Garlick and Susan Lee

Others present: City Manager John Thacker, Recorder Linda Ross, Engineer Andy Thompson, Zoning Administrator Lyle Gibson, Parks Superintendent Vance Garfield, Lorene Kamalu, Margaret Brough, Carole Walker and Blake Webster

Andy Thompson explained that on 400 West between Main Street and 200 North there is a small piece of property shown as part of the City's right-of-way. Intermountain Health Care has requested that the City vacate this piece of right-of-way to help clean up ownership of its property. The City believes this was probably a survey error and has no use for this right-of-way. He recommends that the property be vacated.

There was no public comment.

Council Member Taylor made a motion for adjournment at 6:48 p.m., second by Council Member Johnson and passed unanimously.
