CALL TO THE PUBLIC

Brigg Lewis stated that he would like to see larger pieces of property remain in west Kaysville. He previously asked the Council what amount of money is returned from traffic citations. He believes that last October the amount of funds returned was \$75,000. He would like to know which budget category those funds go into and how they are used. At the last Council meeting, Council Member Lee asked for extra time to review claims. He believes that the City Council is responsible for controlling all expenses.
