Kaysville City Fire Prevention Week Proclamation

WHEREAS, planning, preparedness and situational awareness are critical to surviving a home fire. That is the message behind this year's Fire Prevention Week campaign, "SMOKE ALARMS: Make Them WORK For You"

WHEREAS, The Kaysville City Fire Department is dedicated to the safety and security of everyone living, working, and visiting our city. Fire is a serious public safety concern both locally and nationally. Since 1922, the National Fire Protection Association has sponsored the public observance of Fire Prevention Week. In 1925, President Calvin Coolidge proclaimed Fire Prevention Week a national observance, making it our country's longest-running public health observance. Fire Prevention Week is observed each year during the week of October 9th in commemoration of the Great Chicago Fire, which began on October 8, 1871, and caused devastating damage. This horrific conflagration killed more than 250 people, left 100,000 homeless, destroyed more than 17,400 structures, and burned more than 2,000 acres of land. During Fire Prevention Week, children, adults, and teachers learn how to stay safe in case of a fire. Firefighters provide lifesaving public education to decrease the number of casualties caused by fires drastically.

Kaysville's First responders are dedicated to reducing the occurrence of home fires and home fire injuries through prevention and protection education. Correspondingly, Kaysville personnel are responsive to public education measures and can take action to increase their safety from fire, especially in their homes and

WHEREAS, this year's Fire Prevention Week campaign includes the following recommendations:

- Smoke alarm checklist
- Install, Test, and Replace in 10 Years

THEREFORE, BE IT RESOLVED that I, Tamara Tran, Kaysville City Mayor, and Kaysville City Council members, proclaim October 6-12, 2024, as Fire Prevention Week throughout Kaysville City, Utah. I encourage everyone in Kaysville to be aware of their surroundings, look for available ways out in the event of a fire or other emergencies, and respond immediately when the smoke alarm sounds by exiting the building.

Tamara Tran, Mayor

Paul Erickson, Fire Chief
