**UPDATED VOTE TOTALS FOR CANDIDATES IN THE MUNICIPAL ELECTION
HELD ON AUGUST 13, 2019**

Deputy City Recorder Maria Devereux explained that on August 26th, Election staff in the Davis County Clerk's Office was preparing final reports for the last cities who hadn't yet held their canvass meetings. There is a step in the election tabulation system called "Commit Results", which is done just prior to finalizing the election and closing it down in the system. This step also triggers a process that adds "adjudicated" ballots to the vote totals. It was at this point that staff discovered that adjudicated ballots were not included in the vote totals that were provided to each city and used in canvass meetings. Therefore the Council now needs to approve the updated vote totals for candidates in the municipal primary election. These election results with the adjudicated ballots included does not change the results of the election.

Council Member Barber made a motion to approve the updated vote totals for candidates in the municipal primary election held on August 13, 2019, seconded by Council Member DeCaire.

The vote on the motion was as follows:

Council Member Page, yea
Council Member Barber, yea
Council Member DeCaire, yea

The motion passed unanimously.

ADJOURNMENT

Council Member DeCaire made a motion to adjourn the City Council meeting at 6:34 p.m., seconded by Council Member Page and passed unanimously.
